Overall Batch Disposition

Одлука за серијата

✓ **Conforms to Specification**

Одговара на спецификацијата

QC Compliance Statement. This batch was manufactured, packaged and tested in compliance with the Marketing Authorisation and MK GMP regulations of the Republic of North Macedonia (MALMED). All analytical results from the in-house QC Department and from outsourced ISO/IEC 17025 accredited laboratories conform to QCSP 001_GG_v.01 acceptance criteria and Ph. Eur. 11.5 Monograph 3028. This QC disposition confirms conformity to specification; final batch release is certified separately by the Qualified Person (QP).

Серијата е произведена, спакувана и испитана во согласност со Одобрението за ставање в промет и МК ДПП прописите (МАЛМЕД). Сите резултати одговараат на QCSP 001_GG_v.01 и Ph. Eur. 11.5 Мон. 3028.

Одлуката на КК потврдува усогласеност; конечното ослободување го сертифицира Квалификуваното лице (КЛ).
